WHEREAS, the Coronado Community Development District (the "District") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes* for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, the District is located within the City of Doral (the "City") in Miami-Dade County, Florida (the "County"); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, the Board of Supervisors of the District ("Board") hereby determines to undertake various operations and maintenance activities described in the District's budget(s) for Fiscal Year 2022-2023 ("Budget"), attached hereto as Exhibit "A" and incorporated by reference herein; and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance of the services and facilities provided by the District as described in the District's Budget; and

WHEREAS, the provision of such services, facilities, and operations is a benefit to lands within the District; and

WHEREAS, Chapter 190, *Florida Statutes*, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, Chapter 197, *Florida Statutes*, provides a mechanism pursuant to which such special assessments may be placed on the tax roll and collected by the local tax collector ("Uniform Method"); and

WHEREAS, the District has previously evidenced its intention to utilize this Uniform Method; and

WHEREAS, the District has approved an Agreement with the Property Appraiser and Tax Collector of the County to provide for the collection of the special assessments under the Uniform Method; and

WHEREAS, the District has previously levied an assessment for debt service, which the District desires to collect on the tax roll pursuant to the Uniform Method and which is also indicated on Exhibit "A"; and

WHEREAS, it is in the best interests of the District to proceed with the imposition of the special assessments for operations and maintenance in the amount set forth in the Budget; and

WHEREAS, it is in the best interests of the District to adopt the Assessment Roll of the Coronado Community Development District (the "Assessment Roll") attached to this Resolution as Exhibit "B" and incorporated as a material part of this Resolution by this reference, and to certify the Assessment Roll to the County Tax Collector pursuant to the Uniform Method; and

WHEREAS, it is in the best interests of the District to permit the District Manager to amend the Assessment Roll, certified to the County Tax Collector by this Resolution, as the Property Appraiser updates the property roll for the County, for such time as authorized by Florida law.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE CORONADO COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. BENEFIT. The provision of the services, facilities, and operations as described in Exhibit "A" confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the costs of the assessments. The allocation of the costs to the specially benefitted lands is shown in Exhibits "A" and "B" and is hereby found to be fair and reasonable.

SECTION 2. ASSESSMENT IMPOSITION. Pursuant to Chapter 190 of the *Florida Statutes*, and using the procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operation and maintenance is hereby imposed and levied on benefitted lands within the District, and in accordance with Exhibits "A" and "B." The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution.

SECTION 3. COLLECTION. The collection of the operation and maintenance special assessments shall be at the same time and in the same manner as County taxes in accordance with the Uniform Method. The District shall also collect its previously levied debt service assessments pursuant to the Uniform Method, as indicated on Exhibits "A" and "B." The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

SECTION 4. ASSESSMENT ROLL. The District's Assessment Roll, attached to this Resolution as Exhibit "B," is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes. The proceeds therefrom shall be paid to the Coronado Community Development District.

SECTION 5. ASSESSMENT ROLL AMENDMENT. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution, and shall amend the District's Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll. After any amendment of the Assessment Roll, the District Manager shall file the updates in the District records.

SECTION 6. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

SECTION 7. EFFECTIVE DATE. This Resolution shall take effect upon the passage and adoption of this Resolution by the Board of Supervisors of the Coronado Community Development District.

PASSED AND ADOPTED this 19th day of May, 2022.

In accordance with the Local Government Prompt Payment Act (Chapter 218, Part VII, Florida Statutes) ("PPA"), the purpose of the Coronado Community Development District ("District") Prompt Payment Policies and Procedures ("Policies & Procedures") is to provide a specific policy to ensure timely payment to Vendors and Contractors (both hereinafter defined) providing goods and/or services to the District and ensure the timely receipt by the District of goods and/or services contemplated at the time of contracting. Please note that the PPA, like any statute or law, may be amended from time to time by legislative action. The Provider may send the District an overdue notice. If the payment request is not rejected within four (4) business days after Date Stamp of the overdue notice, the payment request shall be deemed accepted, except for any portion of the payment request that is fraudulent, misleading or is the subject of dispute.

The agreement between the District and the Provider shall identify the Agent to which the Provider shall submit its payment request or shall be provided by the District through a separate written notice no later than ten (10) days after contract award or notice to proceed, whichever is later. Provider's submission of a payment request to the Agent shall be Date Stamped, which shall commence the time periods for payment or rejection of a payment request or invoice as provided in this section.

A. Dispute between the District and a Provider

If a dispute between the District and a Provider cannot be resolved following resubmission of a payment request by the Provider, the dispute must be resolved in accordance with the dispute resolution procedure prescribed in the construction contract, if any. In the absence of a prescribed procedure in the contract, the dispute must be resolved by the procedures specified below.

B. Dispute Resolution Procedures

1. If an Improper Payment Request or Improper Invoice is submitted, and the Provider refuses or fails to submit a revised payment request or invoice as contemplated by the PPA and these Policies and Procedures, the Provider shall, not later than thirty (30) days after the date on which the last payment request or invoice was Date Stamped, submit a written statement via certified mail to the Agent, copying the District Manager, specifying the basis upon which the Provider contends the last submitted payment request or invoice was proper.

If the District fails to commence the dispute resolution procedure within 4 business days after receipt of such notice, any amounts resolved in the Provider's favor shall bear mandatory interest, as set forth in section 218.735(9), Florida Statutes, from the date on which the payment request or invoice containing the disputed amounts was Date Stamped. If the dispute resolution procedure is not commenced within 4 business days after receipt of the notice, the objection to the payment request or invoice shall be deemed waived. The waiver of an objection pursuant to this paragraph does not relieve a Provider of its contractual obligations.
- 4. Absent a written agreement to the contrary, if the Provider refuses or fails to provide the written statement required above, the Agent and/or District Manager is not required to contact the Provider in the investigation. In addition, and absent a written agreement to the contrary, if such written statement is not provided, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third-party purchases from amounts owed to the Provider.
- 5. The Board shall approve any decision of the District Manager to contract with a third party which would result in: 1) an expenditure above what is budgeted for the Construction Services or Non-Construction Services; or 2) an expenditure which exceeds the original contract amount for the Construction Services or Non-Construction Services by more than ten percent (10%) or Ten Thousand Dollars (\$10,000).
- 6. A written explanation of the final decision shall be sent to the Provider, via certified mail, within five (5) business days from the date on which such final decision is made. A copy of the written explanation of the final decision shall be provided to the Chairperson of the Board simultaneously with the certified mailing to the Provider.

7. If a Provider does not accept in writing the final decision within five (5) days after receipt by the Provider, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third-party purchases from amounts owed to the Provider. If the costs of the third-party purchases exceed the amount the District owes to the Provider, the District may seek to recover such excess from the Provider in a court of law or as otherwise provided in an agreement between the District and the Provider. Nothing contained herein shall limit or affect the District's ability to enforce all of its legal and contractual rights and remedies against the Provider.

VIII. Purchases Involving Federal Funds or Bond Funds

When the District intends to pay for a purchase with federal funds or bond funds, the District shall make such purchases only upon reasonable assurances that federal funds or bond funds sufficient to cover the cost will be received. When payment is contingent upon the receipt of bond funds, federal funds or federal approval, the public procurement documents and any agreement with a Provider shall clearly state such contingency. (§218.77, Fla. Stat.).

IX. Requirements for Construction Services Contracts – Project Completion; Retainage

The District intends to follow the PPA requirements for construction project completion and retainage, including, but not limited to, §218.735 (7) and (8), Fla. Stat.

X. Late Payment Interest Charges

Failure on the part of the District to make timely payments may result in District responsibility for late payment interest charges. No agreement between the District and a Provider may prohibit the collection of late payment interest charges allowable under the PPA as mandatory interest. (§218.75, Fla. Stat.).

A. Related to Non-Construction Goods and Services

All payments due from the District, and not made within the time specified within this policy, will bear interest, from thirty (30) days after the due date, at the rate of one percent (1%) per month on the unpaid balance. The Vendor must submit a Proper Invoice to the District for any interest accrued in order to receive the interest payment. (§218.735(9), Fla. Stat.).

An overdue period of less than one (1) month is considered as one (1) month in computing interest. Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

B. Related to Construction Services

All payments for Construction Services that are not made within the time periods specified within the applicable statute, shall bear interest from thirty (30) days after the due date, at the rate of one percent (1%) per month for contracts executed on or before June 30, 2021, and at the rate of two percent (2%) per month for contracts executed on or after July 1, 2021, or the rate specified by agreement, whichever is greater. §218.735(9), Fla. Stat. The Provider must submit a Proper Payment Request to the District for any interest accrued in order to receive the interest payment. An overdue period of less than one (1) month is considered as one (1) month in computing interest. (§218.74 (4), Fla. Stat.).

Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

C. **Report of Interest**

If the total amount of interest paid during the preceding fiscal year exceeds \$250, the District Manager is required to submit a report to the Board during December of each year, stating the number of interest payments made and the total amount of such payments. (§218.78, Fla. Stat.).

MEMORANDUM

TO: DISTRICT MANAGER

FROM: KUTAK ROCK LLP

RE: WASTEWATER AND STORMWATER NEEDS ANALYSIS

During the 2021 legislative session, sections 403.9301 and 403.9302, Florida Statutes, were enacted requiring local governments to perform a 20-year needs analysis of certain wastewater and stormwater services or systems. Subject special districts are required to complete this analysis by June 30, 2022, and every five years thereafter. This memorandum answers basic questions regarding these new statutory provisions and requests that District Managers seek authorization for staff to solicit proposals to complete the required study as appropriate. We expect the services necessary to complete the required analysis to be exempt from competitive solicitation requirements as a planning or study activity below the statutory threshold of \$35,000. §§ 287.055, 287.017, Fla. Stat. Thus, as deemed appropriate and in the best interests of the subject district, districts may elect to utilize the services of existing engineering or other professionals currently under contract or may seek additional proposals for completion of the required needs analysis.

Which special districts are required to complete a needs analysis under sections 403.9301 and 403.9302, Florida Statutes?

Special districts providing "wastewater services" or a "stormwater management program or stormwater management system" must complete a needs analysis. ¹

What constitutes "wastewater services"?

Wastewater services means providing service to pipelines or conduits, pumping stations, and force mains and associated facilities used for collecting or conducting wastes to an ultimate point for treatment or disposal or to a plant or other works used for the purpose of

¹ Counties, municipalities, and special districts located in a "rural area of opportunity" may be exempt from the requirements of sections 403.9301 and 403.9302, Florida Statutes, if compliance would create an undue economic hardship. This includes:

[•] Northwest Rural Area of Opportunity: Calhoun, Franklin, Gadsden, Gulf, Holmes, Jackson, Liberty, Wakulla, and Washington counties, and the area within the city limits of Freeport and Walton County north of the Choctawhatchee Bay and intercoastal waterway.

[•] South Central Rural Area of Opportunity: DeSoto, Glades, Hardee, Hendry, Highlands, and Okeechobee counties, and the cities of Pahokee, Belle Glade, and South Bay (Palm Beach County), and Immokalee (Collier County).

[•] North Central Rural Area of Opportunity: Baker, Bradford, Columbia, Dixie, Gilchrist, Hamilton, Jefferson, Lafayette, Levy, Madison, Putnam, Suwannee, Taylor, and Union counties.

KUTAKROCK

treating, stabilizing, or holding wastewater principally from dwellings, business buildings, institutions, and sanitary wastewater or sewage treatment plants.

What constitutes "stormwater management program or stormwater management system"?

"Stormwater management program" means an institutional strategy for stormwater management, including urban, agricultural and other stormwater. "Stormwater Management System" means a system which is designed and constructed or implemented to control discharges which are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use, or reuse water to prevent or reduce flooding, over-drainage, environmental degradation and water pollution or otherwise affect the quantity and quality of discharges from the system.

What must the needs analysis for these services or systems include?

- A detailed description of associated facilities;
- The number of current and projected residents served calculated in 5-year increments;
- The current and projected service area;
- The current and projected cost of providing services calculated in 5-year increments;
- The estimated remaining useful life of each facility or its major components;
- The most recent 5-year history of annual contributions to, expenditures from, and balances of any capital account for maintenance or expansion of any facility or its major components; and
- The district's plan to fund the maintenance or expansion of any facility or its major components. The plan must include historical and estimated future revenues and expenditures with an evaluation of how the district expects to close any projected funding gap.
- The Office of Economic and Demographic Research has <u>templates and other resources</u> and <u>guidance</u> under development on its website to assist in completion of this required analysis.

When must the needs analysis required be complete?

The 20-year needs analysis must be completed by June 30, 2022.

What happens to the needs analysis once it is complete?

The complete needs analysis and associated methodology and supporting data must be submitted to the county within which the largest portion of the subject district facilities are located. Each county must them compile all analyses submitted to it (from special districts, municipalities, and the county itself) into a single document that must be filed with the Department of Environmental Protection and Office of Economic and Demographic Research by July 31, 2022 and every five years thereafter. The Office of Economic and Demographic research is required to evaluate the compiled documents for purposes of developing a statewide analysis that will include an analysis of the expenditures necessary to repair, replace, and expand water-related infrastructure.
